ATTN: Ron Daniels

Dear Mr. Daniels:

On November 15, 1984 Beaver Creek Coal Company ceased mining operations and started permanent seal construction at our Huntington Canyon #4 Mine. Attached are two "typicals" showing the methods used in permanently sealing and back-filling the portals for reclamation. Also attached is a copy of the information sent to the Industrial Commission of Utah.

Humphreys

Should you have any questions or require any additional information, please contact me.

Sincerely,

Charles C. Dunbar  
Mining Engineer
