Dear Mr. Christensen:

Our review of Beaver Creek Coal Company's Huntington Canyon No. 4 Surface Mining Control and Reclamation Act (SMCRA) permit application has focused on the lower sediment pond, haul road, and pumphouse with catch basin in Mill Fork Canyon. To resolve any potential conflicts between the U.S. Forest Service Special Use permit and the SMCRA permit, we are interested in obtaining copies of said permit(s) from your office. The permit(s) in question involves land lying within T.16S., R.7E., S.L.M., Sections 16, 17, 20, and 21.

Your cooperation in providing the requested permit(s) is greatly appreciated.

Sincerely,

Richard E. Dawes
