Dear Mr. Guy:

Re: Five-Year Permit Renewal Application, Beaver Creek  
Coal Company, Huntington #4 Mine, ACT/015/004,  
Folder #2, Emery County, Utah

This letter is to inform you that the Five-Year Permit Renewal Application for the reclaimed Huntington #4 Mine is upcoming. The Division recognizes that major permitting and/or compliance problems do not exist at the reclaimed Huntington #4 mine site. However, the Division is also aware that unless the renewal application is determined complete by February 28, 1990, the current permit will expire before permit renewal can be achieved. Accordingly, the Division is requesting that the Huntington #4 Mine Permit Application be submitted by no later than January 29, 1990.

Sincerely,

  
Pamela Grubaugh-Littig  
Permit Supervisor
