Re: Ten-Day Letter (TDL) 91-02-370-005 (TV1) Response, Huntington
Canyon No. 4, ACT/015/004

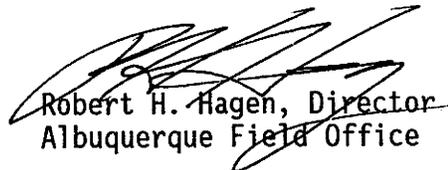

Dear Dr. Nielson:

The Albuquerque Field Office (AFO) received the Division of Oil, Gas and Mining's (DOGM) response on April 15, 1991. DOGM's response included an amended certificate of insurance for Beaver Creek Coal Company.

The Office of Surface Mining Reclamation and Enforcement's analysis of the amended certificate indicates that the policy and certificate are now in compliance with the regulatory requirements.

AFO finds DOGM's response to be appropriate.

Sincerely,

Robert H. Hagen, Director
Albuquerque Field Office
