Dear Mr. Carter:

In accordance with our May 12, 1994, meeting regarding Utah's proposed amendment rules regulating highwall reclamation (SPAT UT-025-FOR), I am hereby extending the due date for submission of a revised amendment until June 30, 1994.

The original due date specified in the Office of Surface Mining Reclamation and Enforcement's letter to you of March 31, 1994, (A.R. No. UT-908) was April 13, 1994. The due date was initially extended until May 30, 1994, by my letter dated May 9, 1994, (A.R. No. UT-924) because of the scheduled meeting in Denver. However, at the meeting it was agreed that the due date would be extended until June 30, 1994.

Utah's willingness to meet and discuss concerns regarding this amendment was greatly appreciated. I understand that the overall consensus was that the meeting was very productive.

Sincerely,

Daniel N. Martinez, Acting Director
Albuquerque Field Office
