Re: Proposed Sediment Pond Removal  
Mountain Coal Co.  
Huntington Canyon No. 4 Mine  
INA/015/004  
Emery County, Utah

Dear Susan:

Mountain Coal Co. is herein submitting 8 copies of a proposed plan for final removal of the Sediment Pond at the Huntington Canyon No. 4 Mine, for your approval.

These plans have been discussed with the U.S. Forest Service, and this is the scenario they preferred. A copy of this proposal has also been given to Mr. Jeff Defreest of the Price U.S.F.S. Office for comment and approval.

This proposal is being submitted as an Appendix to the Permit for ease of review, and should be added at the end of Volume 2. I have also enclosed the required Permit Change Forms with this submittal.

As you know, the Phase II Bond Release for this mine is approved, conditional to removal of the Sediment Pond. We are prepared to start on this project immediately upon approval.

If you have and questions, or need any further information, please let me know.

Respectfully,

Dan W. Guy,  
for Paige B. Beville
