Memo to Coal File:

RE: Hidden Valley Mine
Soldier Creek Coal Company
PRO/015/022

Mr. Tom Paluso and Mr. Dave Spillman contacted the Division on August 6, 1979 concerning the information requirements for a mining permit under the interim coal regulations. A meeting with Mr. Dave Spillman was held on August 7, 1979 to discuss these requirements. Environmental resources information under the interim program for vegetation and wildlife were reviewed and compared to requirements under the proposed permanent program. Soldier Creek Coal Company will apply for a permit with the Division about September 1, 1979 and will later amend or resubmit the application to comply with the permanent program.
