Seismic Exploration  
Emery County, Utah

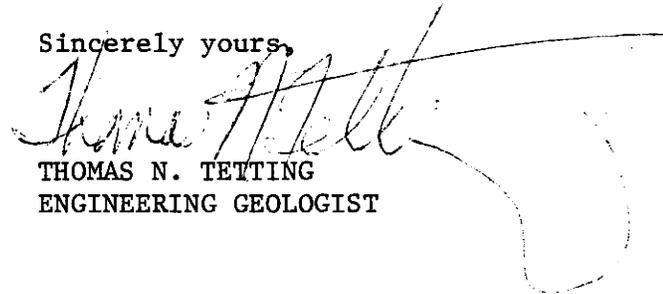

Dear Mr. Kohler:

Thank you for your January 11 letter regarding completion of the exploratory program outlined in your July 20 notice filed for Emery County, Utah.

Although specific mention of adhering to the Permanent Performance Standards for Coal Exploration, UNC 815.15 section 4, was not made, it is assumed that your compliance with Forest Service requirements has also satisfied these areas of concern.

The Division will look forward to viewing the results of your 1981 reclamation efforts and when in the area, will inspect the drill sites. We appreciate your cooperation.

Sincerely yours,

THOMAS N. TETTING
