Dear Mr. Vaninetti:

Re: Wild Horse Ridge Exploration Project, CEP/015/007, Emery
County, Utah

Pursuant to our telephone conversation of December 13, 1985, regarding the Nevada Electric Investment Company (NEICO) proposed post mining land use for the above captioned project, this will confirm NEICO's need to make a formal request for this post mining land use to the Division of Wildlife Resources. Please address this correspondence to State of Utah, Division of Wildlife Resources, 1596 West North Temple, Salt Lake City, Utah, 84116, Attention: W. H. Geer. You should also address a similar request for the confirmation of the acceptability of the proposed post mining land use to the Emery County Zoning Commission. Please ask the above two entities to respond directly to NEICO with a copy of their correspondence to my attention, Division of Oil, Gas and Mining. This should facilitate the timely solution to the post mining land use question.

Sincerely,
