Dear Mr. *John* Rains:

Re: Partial Phase-I Bond Release Inspection, Cal Mat Company,
Hidden Valley Mine, INA/015/007, Folder #4, Emery County,
Utah

The Division received the "Affidavit of Publication" for the Phase-I bond release at the Hidden Valley Mine on January 12, 1988. The next step in the process is the bond release site inspection, "weather permitting". Current weather conditions, however, prohibit performing this inspection.

I will keep you apprised when this inspection can be done, at the earliest possible date.

Thank you for your continued cooperation.

Sincerely,

Pamela Grubaugh-Littig
