Dear Mr. Edmonson:

Re: Permitting Requirements and Deadlines, Hidden Valley Coal Company, Hidden Valley Mine, ACT/015/007, Folder #2, Emery County, Utah

Per a letter from Mr. John Rains on September 24, 1990, I was notified that you will be the new contact person for the Hidden Valley Coal Mine.

The Hidden Valley Coal Mine received a reclamation permit on January 28, 1987 and is in a ten-year bond liability period. The reclamation permit will need to be renewed by January 28, 1992, which will entail submittal of updated materials for this renewal by July, 1991.

Due to the current acquisition and changes, please update the Division on the status of Identification of Interests (R614-301-112) for inclusion in the Permit Application Package (PAP). A copy of the rewritten Utah Coal Rules (effective April 12, 1990) is enclosed for your use.

If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script, reading 'Pamela Grubaugh-Littig'.
