Dear Ms. Grubaugh-Littig,

This letter is to inform you that the scheduled May, 1991 water monitoring at CalMat's Hidden Valley reclamation site was not done until June 7, 1991 due to a scheduling error by JBR. During the June visit, all of the scheduled water measurements were done and all samples were taken. Please advise me if the delay in monitoring requires further action.

Sincerely,

Karla Knoop
Hydrologist
