Dear Pam:

Attached are the Hidden Valley Mine Abatement Plan for NOV N91-26-8-2 and the Hidden Valley Mine Reclamation Amendment pages. These documents have been revised to include Division comments discussed in our meeting on December 3, 1992; thank you for taking the time to discuss the draft revised abatement plan at that meeting. The recently completed vegetation survey is also included as an attachment to the Abatement Plan. Please feel free to call if you have further questions.

Sincerely,

Karla Knoop / KAS
