Re: NOV N91-26-8-2

Dear Mr. Braxton:

I would like to thank you for meeting with me yesterday to discuss the details of our proposed abatement plan on the above referenced matter. The conclusions reached during the meeting will help us to formulate a better plan, but we will need a little more time to do so.

The letter dated November 17, 1992 to me from the Director requires us to submit additional information and amendments within fifteen (15) days, which I have calculated as December 7, 1992. With the Thanksgiving Holiday we have lost a number of work days that would have otherwise been available to us. I respectfully request an extension of time until December 11, 1992, to submit the required materials.

Please let me know as soon as possible if an extension is acceptable.

Sincerely,

HIDDEN VALLEY COAL COMPANY
