The CalMat Companies

RECEIVED

JAN 24 1992

DIVISION OF
OIL GAS & MINING

January 23, 1992

Mr. Lowell P. Braxton
Associate Director, Mining
Utah Division of Oil, Gas & Mining
3 Triad Center, Suite 350
355 West North Temple
Salt Lake City, Utah 84180-1203

Dear Mr. Braxton:

In compliance with R614-310-110, Utah Coal Mining Rules, for the five (5) year permit renewal of the Hidden Valley Coal Company, Hidden Valley Mine (ACT/015/007), contained herein are statements relating to the legal, financial and compliance status of the site and the company.

1. Hidden Valley Coal Company, a Utah corporation is a wholly owned subsidiary of CalMat Co.
2. The applicant is: Hidden Valley Coal Company
3200 San Fernando Road
Los Angeles, California 90065

with correspondents to:

Mr. Lee Edmonson, Manager
Planning and Regulatory Affairs
1801 E. University Drive
Phoenix, Arizona 85034

Resident Agent for Service of Process:

Addresses:⁽¹⁾ 3200 San Fernando Road
Los Angeles, CA 90065

⁽²⁾ 1801 E. University Drive
Phoenix, AZ 85034

100% of the stock of Hidden Valley Coal Company is owned by CalMat Co., a Delaware corporation.

4. Within 5 years preceding the date of this application the applicant, Hidden Valley Coal Company, or its sole shareholder, CalMat Co., have not operated any other coal mining and reclamation operation in the United States.

5. Other than this pending permit renewal application the applicant, and its parent company (the sole shareholder), has no other pending coal mining and reclamation operation permits in the United States. For the five (5) years preceding the date of this renewal application the applicant, and its parent company, have not held any permits for coal mining and reclamation operations in the United States other than the permit for the subject site, the Hidden Valley site.

6. The names and addresses of the owners of surface and minerals are attached hereto as Exhibit "A".

7. The names and addresses of each owner of record (surface and subsurface) of contiguous property is attached hereto as Exhibit "B".

8. There are no mine associated structures requiring MSHA approval.

9. The applicant has no interest in lands, options, or pending bids or interests for lands contiguous to the area described in the subject permit application.

10. The following are true and correct statements with respect to the applicant or any subsidiary, affiliate, or persons controlled by or under common control with the applicant:

a) No federal or state permit to conduct coal mining and reclamation operations has been suspended or revoked in the five (5) years preceding the date of submission of this application;

b) A performance bond or similar security deposited in lieu of bond has not been forfeited;

c) Violation notices received by Hidden Valley Coal Company or any subsidiary, affiliate, or persons controlled by or under common control with the applicant in connection with any coal mining and reclamation operation during the three (3) year period preceding this application are attached hereto as Exhibit "C";

d) For NOV 91-26-8-2 the applicant has petitioned the Director of the Utah Department of Natural Resources to vacate the violation. A Petition for Temporary Relief has been granted until January 28, 1992. All other violation notices listed in Exhibit "C" have been abated.

I believe the information contained herein covers all of the areas requested by your staff, and required by applicable regulation. Please call me if there are any questions.

Respectfully submitted,

Hidden Valley Coal Company

Lee Edmonson, Assistant Secretary &
Manager, Planning & Regulatory Affairs
