RE: Hidden Valley Coal Mine, ACT/015/007

Dear Mr. Braxton:

On behalf of Hidden Valley Coal Company ("HV"), we have been requested to forward the enclosed permit renewal for the Hidden Valley Mine ACT/015/007. Information is submitted to the Division with the understanding that Hidden Valley does not waive its pending dispute regarding the Division's jurisdiction over the Hidden Valley Mine. As you are aware, Hidden Valley asserts that the Hidden Valley Mine is exempt from regulation under the Utah Coal Mining & Reclamation Act and under the federal Surface Mining Control & Reclamation Act of 1977 ("SMCRA"). The Hidden Valley Mine has never operated as a commercial venture. Exploratory operations at the Mine were conducted prior to 1977. However, no coal has been mined since enactment of SMCRA.

Please give me a call if you have further questions concerning this matter.

Very truly yours,

Denise A. Drago
