SUBJECT: Hidden Valley Coal Company, upcoming meeting

After speaking with the various parties in regard to the meeting scheduled for Hidden Valley on August 31st, we have prepared the following agenda and schedule. Please confirm your attendance at the meeting by calling me at (801)-837-5565 prior to noon, August 29, if possible.

TECHNICAL SESSION (9:00 - 11:30 AM, WEDNESDAY, AUGUST 31, 1994)

Participants:

Joe Jarvis and Karla Knoop, JBR Environmental Consultants  
 Susan White and Tom Munson, DOGM

Tasks:

- 1) Examine undisturbed areas adjacent to the reclamation site with intent of exploring options regarding expanding the vegetation reference area to (1) allow better quantification of revegetation goals, and (2) incorporate background erosion/stability/sedimentation assessments; and
- 2) Examine disturbed areas and treatments to assess site functioning during the recent heavy precipitation event.

LUNCH (11:30 - 12:15, WEDNESDAY, AUGUST 31, 1994)

We will provide lunch foods and drinks at the site, both for attendees of the morning technical session and the afternoon general session.

(Agenda and Schedule, continued)

GENERAL SESSION (12:15 - 2:30, WEDNESDAY, AUGUST 31, 1994)

Participants:

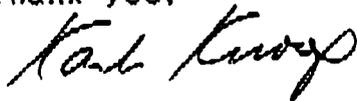

Jim Carter, Lowell Braxton, and Bill Malencik, DOGM  
Lee Edmonson, Hidden Valley Coal Company  
Ed Settle, Consolidation Coal Company  
Joe Jarvis and Karla Knoop, JBR Environmental Consultants

Agenda Items:

- 1) Present summary on morning technical session, and resultant conclusions and recommendations (JBR);
- 2) Discuss progress made since July 21st meeting on the six broad issues (items II - VII) set forth at that meeting;
- 3) Tour disturbed area;
- 4) Identify any pertinent decisions, findings or directives that may affect action items (Division);
- 5) Determine actions items and/or goals for technical groups.

We hope that this schedule and agenda will meet the needs of all concerned. It has been derived with the intent to separate technical issues from other general issues related to management and compliance.

Thank you,
