Re: Request to Compare Mining and Reclamation Plans, Hidden Valley Coal Company, Hidden Valley Mine, ACT/015/007, Folder #2, Emery County, Utah

Dear Mr. Edmonson:

There may be discrepancies in different copies of the approved mining and reclamation plan. Therefore, it is requested that a comparison of the mining and reclamation plans be done. Bill Malencik, could arrange with Karla Knoop, to do this side by side comparison at the Price Field Office. The best time to do this would be between December 6, 1994 and December 16, 1994.

Please advise me if this can be arranged. Thank you.

Sincerely,

Pamela Grubaugh-Littig
Permit Coordinator
