Re: Permit Transfer, Hidden Valley Mine
ACT/015/007, Emery County

In the Division's November 2, 1995 letter approving the permit transfer of the Hidden Valley Mine, Consolidation Coal Company was instructed to provide a completed permit document along with updated legal and financial information for the mining and reclamation plan by November 28, 1995. Due to vacation schedules and other business concerns, we are not able to obtain the necessary signature for the permit document by the 28th of this month. Therefore, we request an extension of time until December 8, 1995, to comply with these requirements.

If you have any questions concerning this request, please contact me. Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Timothy D. Kirschbaum".
