Subject: Hidden Valley 1999 water data processed

Ken, CTS

Hi All,

Today I processed 4 samples that were previously submitted to the Division and recently entered by DOGM personnel. The four samples included:

- Upper Ivie Creek #1, CTE 59-20531 9/16/1999
- Upper Ivie Creek #1, CTE 59-21872 9/19/1999
- Lower Ivie Creek #2, CTE 59-20532 9/16/1999
- Lower Ivie Creek #2, CTE 59-21873 9/19/1999

This removes all data from the Hidden Valley EDI pipeline except for samples from the 2nd quarter 2001.

If you have any questions, please contact me.

Sincerely,
Ken Wyatt
