Subject: Determination of Completeness for Permit Renewal, Consolidation Coal Company, Hidden Valley Mine, C/015/0007, Task ID #2668, Outgoing File

Dear Mr. Gefferth:

The Division received your application for renewal of the Hidden Valley Mine permit on October 11, 2006. An initial review of the submitted information indicates that the application is administratively complete.

Because of the strict time frames associated with public notice for a renewal application, you should immediately proceed with publication as required by R645-300-121. At the same time you should ensure that a copy of your current plan is filed with the county recorder. A copy of the Affidavit of Publication should be forwarded to the Division for insertion into the Mining and Reclamation Plan as soon as it is available.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
