Re: 510 (c) Recommendation for Consolidation Coal Company, Hidden Valley Mine, C/015/0007

As of this writing of this memo, there are no NOV's or CO's which are not corrected or in the process of being corrected for the Hidden Valley Mine. There are no finalized civil penalties, which are outstanding and overdue in the name of Consolidation Coal Company. Consolidation Coal Company does not have a demonstrated pattern of willful violations, nor have they been subject to any bond forfeitures for any operation in the state of Utah.

Attached is a recommendation from the OSM Applicant Violator System for the Hidden Valley Mine that states there are no outstanding violations.
