2. Signs and Markers

The mine identification sign is located at the entrance to the mine permit area and as the county road dead ends. The sign is hand written on an metal sign with a white background. The sign contains the required information as required by the R645 Coal Rules.

4.c Hydrologic Balance: Other Sediment Control Measures

The silt fence located near the mine identification sign is functional and remains secured to the tee posts used to support it.

8. Noncoal Waste

The site was free of noncoal waste items.
