Dear Mr. Bell:

Our office has recently received a letter from the Governor of Utah giving the State's approval of your operation. The State approval is one of our conditions of approval as stated in our letter to you dated July 19, 1977.

Subsequent to the State's approval, permission is hereby granted to advance your underground mining into Federal lease U-082996. Prior to extensive mining on the lease, conditions 2 and 3 of the July 19, 1977, letter concerning subsidence and hydrologic monitoring, must be adequately addressed.

Sincerely yours,
