Re: Trail Mountain Coal Mine
 Sediment Control Facilities

Dear Mike:

Thank you for the three copies of the plans for the referenced mine forwarded with your letter of July 10, 1979. We will need four more copies to provide to the Geological Survey and the Forest Service. You may send them here for distribution.

In view of the need to obtain the concurrence of the Forest Service, we will need the full complement of copies. It may be difficult to make the target date of August 10 also, but we will try.

Sincerely,

John E. Hardaway
 Chief, Division of Technical
 Analysis and Research
