RE: The Fetterolf Group  
Trail Mountain Coal Mine  
ACT/015/009

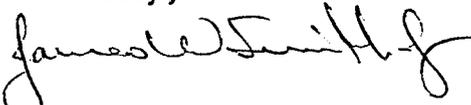

Dear Steve:

Enclosed is a copy of plans submitted for the Trail Mountain Coal Mine, operated by The Fetterolf Group. The plans concern sediment control facilities and are submitted in response to notices of violations issued by the State of Utah and the Office of Surface Mining. If additional copies are required please inform me.

The Division will respond to Fetterolf approximately August 10, 1979. It would be appreciated if your staff could have comments to us by that time.

If you have any questions please call.

Sincerely,

*for*
