Re: Trail Mountain Coal Company
Orangeville, Utah

Dear Mr. Feight:

I am in receipt of your letter dated June 29, 1979 and am enclosing the information you requested. Trail Mountain is a deep mine facility and no additional disturbance of surface area was performed during 1978.

Please advise me if additional information will be required.

Very truly yours,

A handwritten signature in cursive that reads 'David R. Mills/pck'.

David R. Mills, P. E.
Mining Engineer
