SUBJECT: Permanent Program Compliance Schedule

DATE: July 31, 1980

In response to the Board's decision concerning permanent compliance at The Fetterolf Group's Trail Mountain Mine, the Division has proposed the enclosed compliance schedule for your review. Requirements for permanent compliance have been clearly stated so as to insure implementation of permanent compliance structures during the feasible construction season of 1980. It is the Division's opinion that through proper implementation of these structures maintenance and subsequent violations will be kept at a bare minimum. Thank you.
