RE: Trail Mountain Coal Company
ACT/015/009

Dear Mr. Morgan:

Enclosed is a copy of plans submitted by Trail Mountain Coal Company for outlet facilities of the existing sediment pond adjacent to Cottonwood Creek. The existing pond, at this time, has no outlet facilities.

The Division requests that you review these plans and submit comments by April 15, 1980. It should be noted that the facilities are submitted as temporary facilities as Utah Power and Light may provide sediment control at the site if the Cottonwood Portal is approved.

Sincerely,

K. MICHAEL THOMPSON
ENGINEERING GEOLOGIST
