RE: Design Plans for Sediment  
Control Facilities  
Natomas Trail Mountain  
Coal Company  
Trail Mountain Mine  
ACT/015/009  
Emery County, Utah

Dear Mr. Smith:

This office has completed its review of the design plans for the Sediment Control Facility intended for the above mentioned project. This letter will constitute approval for this office. We feel the design is adequate for the intended purposes of the structure.

It should be remembered that our data does not reveal a water right for this company to carry on their mining processes.

Sincerely,

Dee C. Hansen, P.E.  
State Engineer
