Attn: Ms. Sally Keefer

Dear Ms. Keefer:

Already in your possession are plans submitted by Vaughn Hansen Associates on behalf of Trail Mountain Coal for construction and installation of a sediment pond and culvert in Cottonwood Canyon. I would like your office to review and approve these plans of the proposed projects. I would also like you to submit these plans to the various concerned agencies for their approval where necessary.

Your expedient cooperation will be greatly appreciated. If there are further questions concerning the proposed plans, please feel free to call me at 748-2140. Thank you.

Sincerely yours,

Andrew King
Engineer
