RE: Trail Mountain Mine Reclamation Plan (ACT/015/009)

Dear Mr. Smith:

Vaughn Hansen Associates is compiling the Natomas-Trail Mountain Coal Company's Mining and Reclamation Plan for the Trail Mountain Mine. As we discussed by telephone, on July 28, 1981, several difficulties have arisen in completing the mine plan application by the extended deadline. After our discussion I obtained clearance from Mr. Andrew King, Mine Engineer, Natomas-Trail Mountain Coal Company, to request an additional extension for the mine plan submittal. If it does not raise a great amount of difficulty, the submittal of the mine plan will be delayed a few weeks.

If this delay is not acceptable please let me know.

Sincerely,

Thomas J. Suchoski
Hydrologist
