

0008

STATE OF UTAH

Notice of Violation No. N. 81-3-14-1

Violation No. 1 of 1

Nature of the Violation

Failure to fully implement measures required by the Division designed and intended to convey overland flow away from the disturbed area by extended deadline.

Provision(s) of the Regulations, Act, or Permit Violated

UMC 817.43

Portion of the Operation to which Notice Applies

48 inch culvert above disturbed area which is intended to convey undisturbed drainage under disturbed area and into Cottonwood Creek.

Remedial Action Required (including interim steps, if any)

Complete inlet to diversion in a workman like manner so as to insure proper conveyance of canyon waters into 48 inch culvert.

Time for Abatement (including time for interim steps, if any)

30 days; no later than 8:00 AM August 30, 1981.

NAME OF OPERATOR (if other than permittee) _____

MAILING ADDRESS: _____

Under the authority of the Utah Coal Mining and Reclamation Act of 1979 (Sec. 40-10-1 et seq., Utah Code Annotated, 1953), the undersigned authorized representative of the Director and the Division of Oil, Gas & Mining has conducted an inspection of the above mine on the above date and has found violation(s) of the Act, the regulations or required permit condition(s) listed in the attachment(s). This Notice constitutes a separate Notice of Violation for each violation listed.

You must abate each of these violations within the designated abatement time. You are responsible for doing all work in a safe and workmanlike manner.

The undersigned representative finds that cessation of mining is is not expressly or in practical effect required by this Notice. For this purpose "Mining" means extracting coal from the earth or a waste pile and transporting it within or from the minesite.

This Notice shall remain in effect until it expires as provided on the reverse or is modified, terminated or vacated by written notice of an authorized representative of the Director of the Division of Oil, Gas & Mining. The time for abatement may be extended by the authorized representative for good cause, if a request is made within a reasonable time before the end of the abatement period.
