RE: Natomis Trail Mountain  
Coal Company  
Culvert and Sed Pond Modification

Dear Shirley,

Enclosed is a letter from the Natomis Trail Mountain Coal Company requesting an expeditious review of the proposed culvert in Cottonwood Creek and the designs for upgrading the existing sedimentation pond within the permit area. (Chapter 7 of Mine Permit Application)

Currently, the Division has reviewed the culvert designs and will soon complete its review of the sediment pond. Our approval and any potential stipulations will be forwarded to you shortly for your concurrence.

Please contact Wayne Hedberg or myself with any concerns regarding this project.

Sincerely,

*Sally Kefer*

Attn: Ms. Sally Keefer

Dear Ms. Keefer:

Already in your possession are plans submitted by Vaughn Hansen Associates on behalf of Trail Mountain Coal for construction and installation of a sediment pond and culvert in Cottonwood Canyon. I would like your office to review and approve these plans of the proposed projects. I would also like you to submit these plans to the various concerned agencies for their approval where necessary.

Your expedient cooperation will be greatly appreciated. If there are further questions concerning the proposed plans, please feel free to call me at 748-2140. Thank you.

Sincerely yours,

Andrew King  
Engineer
