RE: Design Plans for Sediment
Control Facilities
Natomas Trail Mountain
Coal Company
Trail Mountain Mine
ACT/015/009
Emery County, Utah

Dear Mr. Dalley:

Enclosed is a copy of Natomas Trail Mountain Coal Company's proposed design plans for Sediment Control Facilities at their minesite. These plans are developed to bring the mining operation into surface compliance with Utah's Permanent Regulatory Program for Underground Coal Mining.

This Division is currently reviewing these plans for technical adequacy and would appreciate any comment or input you may have to this proposal.

If any questions arise, please feel free to call.

Sincerely,

D. WAYNE HEDBERG
