RE: Response to request to extend  
stream culvert  
Trail Mountain Mine  
ACT/015/009  
Emery County, Utah

Dear Mr. Allen:

Your request to extend the stream channel culvert has been reviewed by the Division.

Prior to extending the culvert, you will have to submit cross-sections of the referenced area that define the natural channel architecture, so that the stream's features can be restored as nearly as possible upon final reclamation.

If you have any questions, please contact Wayne Hedberg or myself.

Sincerely

DAVID W. DARBY  
RECLAMATION HYDROLOGIST
