Attention: Dave Loft

Dave,

In response to your letter on our blasting records, I have retrieved the following information: UMC 817.68 (C)  
Owen Hunt- 03669 Mine Foreman Certification- Blaster in charge.

- (D) (1) Not located in the permit area.
- (K) 10 pounds.
- (L) 12
- (N) Electric with 12 foot cord.
- (Q) I have no sketch available, however, the blaster in charge says that because of the irregular forms of material, random drill patterns were used.

Sincerely,

Allen Childs / Chief Engineer
