RE: ACR Response  
Natomas Trail Mt. Coal Co.  
Trail Mountain Mine  
ACT/015/009  
Folder No. 2  
Emery County, Utah

Dear Mr. Smith:

A review of the above mentioned ACR Response has been completed. No alterations have been made to the sediment control structure; therefore, my approval letter of November 5, 1981 is still valid. The Coal Company has made the proper water right filings and their approval is anticipated in the near future.

Sincerely,

Dee C. Hansen, P.E.  
State Engineer
