Memo to Coal File:

RE: Diamond Shamrock
Trail Mountain Mine
ACT/015/009
Folder Nos. 2 and 3
Emery County, Utah

Joe Fielder, Trail Mountain Mine Superintendent, called the Division on December 28, 1983 to notify this office that fencing bids are being taken for the areas around the newly extended 66 inch culvert in Cottonwood Creek. This fence will complete the Show Cause Order issued in February 1983 by providing a protection barrier on the perimeter parallel to the culvert. A fence will be erected surrounding the entire Trail Mountain Mine permit area. Mr. Fielder will send copies of the bids to the Division as verification.
