Memo to Coal File:

RE: Natomas Trail Mountain Coal
Company
Trail Mountain Mine
ACT/015/009, Folder No. 7
Emery County, Utah

The above-mentioned operation was given a partial inspection on September 2, 1983 by Joe Helfrich of the Division. He was accompanied by Allen Childs of Natomas Trail Mountain Coal Company. The purpose of the trip was to inspect the compliance work done pursuant to the consent order for a pattern of violations. During the inspection, it was noted that the majority of the culverting, riprap and diversion work had been completed. The final date for completion of this work was September 27, 1983 and it appeared as though the work would be completed by then.
