RE: Reorganization of Division  
Mining Technical Staff  
Trail Mountain Mine  
ACT/015/009, Folder No. 13  
Emery County, Utah

Dear Mr. Childs:

As of December 7, 1983, the mining technical staff of the Division has undergone a reorganization and a change in personnel responsibilities. Mary Boucek is now the Permit Supervisor responsible for the permitting process involving your company's mine(s). Wayne Hedberg has been appointed as the Permit Revision Supervisor and will be responsible for review of all permit revisions, NOV abatement plans, exploration plans and special projects.

Should you have any question regarding exploration requirements, proposed permit revisions, NOV abatement plans or the overall permitting process, please contact Mr. Hedberg, Ms. Boucek or me as appropriate. Please continue to direct all written correspondence regarding the above to me unless requested otherwise.

Sincerely,

*for* *Mary M. Boucek*
