After review of the material, our office notes that no changes were made to the mine plan concerning cultural resources, and therefore our office has no comment.

Since no formal consultation request concerning eligibility, effect or mitigation as outlined by 36 CFR 800 was indicated by you, this letter represents a response for information concerning location of cultural resources. If you have any questions or concerns, please contact me at 533-7039.

Sincerely,
