Memo to Coal File:

RE: Trail Mountain Coal Company  
Trail Mountain Mine  
ACT/015/009, Folder #7  
Emery County, Utah

The above mentioned operation was given a partial inspection on December 22, 1983 by Joe Helfrich and Ken Wyatt from the Division, and Lorin Nielsen from the Department of Natural Resources. They were accompanied by Joe Fielder from the Trail Mountain Mine. The purpose of the trip was to acquaint Mr. Nielsen with steep slope mining activity located in Cottonwood Canyon at the Cottonwood portal development site and the Trail Mountain Mine. Upon leaving the site State Representatives observed the recent road construction of the existing Cottonwood Canyon Road which has been the question of jurisdiction under SMCRA for quite sometime.
