RE: Notice of Violation N84-4-12-2  
Trail Mountain Coal Mine  
ACT/015/009, Folder #7  
Emery County, Utah

Dear Joe:

Please find enclosed the above mentioned documents. Please note that the time for abatement is immediately. An extension of the time for abatement for either of these violations will only be granted upon receipt of a written request for extension prior to the abatement deadline. Said extension must be substantiated.

Should you have any questions concerning this letter or the enclosed notices, please do not hesitate to call myself or Joseph C. Helfrich, Field Supervisor.

Sincerely,

David Lof  
Mining Field Specialist

Under the authority of the Utah Coal Mining and Reclamation Act of 1979 (Sec. 40-10-1 et seq., Utah Code Annotated, 1953), the undersigned authorized representative of the Director and the Division of Oil, Gas & Mining has conducted an inspection of the above mine on the above date and has found violation(s) of the Act, the regulations or required permit condition(s) listed in the attachment(s). This Notice constitutes a separate Notice of Violation for each violation listed.

You must abate each of these violations within the designated abatement time. You are responsible for doing all work in a safe and workmanlike manner.

The undersigned representative finds that cessation of mining is  is not  expressly or in practical effect required by this Notice. For this purpose "Mining" means extracting coal from the earth or a waste pile and transporting it within or from the minesite.

This Notice shall remain in effect until it expires as provided on the reverse or is modified, terminated or vacated by written notice of an authorized representative of the Director of the Division of Oil, Gas & Mining. The time for abatement may be extended by the authorized representative for good cause, if a request is made within a reasonable time before the end of the abatement period.
