Under the authority of the Utah Coal Mining & Reclamation Act (Section 40-10-1 et seq., Utah Code Annotated), the undersigned authorized representative of the Director and Division of Oil, Gas & Mining has conducted an inspection of the above mine on the above date and has found that a Cessation Order must be issued with respect to each of the conditions, practices or violations listed in the attachment(s). This Order constitutes a separate Cessation Order for each condition, practice or violation listed.

In accordance with Section 40-10-22, Utah Code Annotated, you are ordered to CEASE IMMEDIATELY the operations described in the attachment(s) and to perform the affirmative obligations described in the attachment(s) within the designated time for abatement. Reclamation operations not directly the subject of this Order shall continue while this Order is in effect.

You are responsible for doing all work in a safe and workmanlike manner.

The undersigned authorized representative hereby finds that this Order does  does not  require cessation of mining expressly or in practical effect. For this purpose, "mining" means extracting coal from the earth or a waste pile and transporting it within or from the minesite.

This order shall remain in effect until it expires as provided on the reverse, or is modified, terminated or vacated by written notice signed by an authorized representative of the Secretary of the Interior.
