Dear Mr. Childs:

RE: Proposed Revision for Additional Lease Acreage, Trail
Mountain Mine, ACT/015/009, #3, Emery County, Utah

Based on our phone conversation recently, this letter is to document the need to submit the proposed revision to the approved Trail Mountain Mine plan in the very near future to avoid delays in review of the revision. Based on 1986 workload to date for the mining technical group which will review the Trail Mountain lease addition, receipt of your proposed revision any later than the third week in January 1986 may result in a delayed review time based on other projects which are slated for review during 1986.

If you should have any questions on this matter, please feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "John J. Whitehead".
