Dear Lowell:

Trail Mountain Coal Company has complied with Special Condition No. 6 as specified in Final Permit Approval, Trail Mountain Coal Company, Trail Mountain Mine Tract 2 Lease, ACT/015/009-1, Folder #2 and #4, Emery County, Utah.

The spring that was believed to be located within the Tract 2 area, discussed in this condition, was found to be located north of the Tract 2 area and should not be impacted by subsidence. An amendment to the Mine and Reclamation Plan to include this spring will not be needed.

Sincerely,

for
GEORGE MORRIS
Forest Supervisor
