Mr. Allen Childs
Mine Engineer
Trail Mountain Coal Company
P. O. Box 550
Orangeville, Utah 84537

Dear Mr. Childs:

Re: Special Condition 5, Response for Trail Mountain Tract 2 Permit, Trail Mountain Coal Company, Trail Mountain Mine, ACT/015/009, Folder #2, Emery County, Utah

Thank you for your response to Special Condition 5 for the Tract 2 Permit. The response adequately addresses the requirements of Condition 5. Please refer to the attached Technical Memorandum for an explanation of the technical review. Please provide an additional fourteen (14) copies of Figure 7-3 by October 9, 1987.

Thank you for your cooperation in this matter.

Sincerely,

John J. Whitehead
Permit Supervisor/
Reclamation Hydrologist

RE: Special Condition 5 Response for Trail Mountain
Tract 2 Permit, Trail Mountain Coal Company,
Trail Mountain Mine, ACT/015/009, Folder #2,
Emery County, Utah

The operator has adequately addressed Special Condition #5 for the Tract 2 Permit. The U.S. Forest Service required additional spring monitoring on Trail Mountain for baseline and operational frequency requirements. Trail Mountain Coal Company has submitted Figure 7-3 denoting all water monitoring points in reference to Tracts 1 and 2.
