DIVISION OF
OIL, GAS & MINING

Dear Lowell:

We have reviewed PAP Amendment, Temporary Screen Plant Addition, Beaver Creek Coal Co., Trail Mountain #9 Mine, ACT/015/009-88B, Folder #2, Emery County, Utah.

We have no objection to installation of this facility. Beaver Creek Coal Company has adequately demonstrated that the screen plant will have only a minimal effect on the overall airbourne emissions from the property.

Our only comment is that the facility is proposed as being temporary, yet there is no indication as to how long it will be needed and when it will be removed. Beaver Creek Coal Company should address the proposed duration of operations for the temporary facility.

Sincerely,

for
GEORGE A. MORRIS
Forest Supervisor
