RE: Amendment on Second Mining
Trail Mountain No.9 Mine
ACT/015/009
Emery County, Utah

Dear Pam,

Pursuant to our conversation this date, I am sending 8 copies of the Exhibits 1,2,3 and 4 referred to in Mr. Witkowski's report. Please note that Exhibit 3 is the Exhibit C referred to on page 4 of the report (Exhibit 4 was apparently an Exhibit D as indicated by the designations in the upper right hand corner of the Exhibit). I've also included page 7 of the report which is the apparent location of Plate I, previously submitted.

I hope this information will be satisfactory. I apologize for the fragmented nature of this proposal and information - I assumed this complete report was in the mine plan.

I appreciate your assistance in this review. If you need anything further, please let me know.

Respectfully,

Dan W. Guy
Manager Permitting/Compliance
